2009-2010 Application for Graduate Study Abroad

The category of Graduate Study Abroad (GSA) presumes a continuation of the student's full-time resident status during the period of overseas or off-campus study. The use of this category for situations other than the ones noted above requires the approval of the department chair and the Graduate Board.

Krieger School of Arts and Sciences Students: The status of Graduate Study Abroad is usually limited to those students in the Humanities Center and the departments of Anthropology and German & Romance Languages and Literatures, who are required as a part of their regular degree program to complete a semester or more of full-time study at a foreign university. A KSAS graduate student on Graduate Study Abroad is required to pay 10% of the full-time tuition rate for each semester abroad.

Whiting School of Engineering Students: A Graduate Study Abroad student is required to pay 10% of the full-time tuition rate for each semester abroad.
